DigitalGlobe AES (Advanced Elevation Suite) Digital Elevation Models				
Product	Resolution	Relative Accuracy	Absolute Accuracy	Price
VHP DSM	2m	1m	2m	\$55
VHP DTM	2m	1m	2m	\$60
Precision DSM	4m	2m	4m	\$25
Precision DTM	4m	2m	4m	\$35
Mapping DSM	8m	5m	8m	\$15
Mapping DTM	8m	5m	8m	\$25

Uplifts apply for hydrology enforcement, road flattening and premium geographies (SE Asia, North Korea, China, Taiwan and Russia).

Note that VHP and Precision products require GPS GCPs (Ground Control Points) to be supplied by the customer (specifications to be confirmed by Land Info); DTMs are only offered in open areas, not heavily vegetated or urban. Imagery not included but is available for additional charge. Default licensing is single user -- pricing uplifts apply for additional users.

Astrium Elevation1 & Elevation4 Digital Surface Models				
Product	Type	Resolution	Absolute Accuracy	Price
Elevation 1 Stereo	DSM	1m	1m	\$100
Elevation 1 Tristereoo	DSM	1m	1m	\$138
Elevation 4 Stereo	DSM	4m	2m	\$50
Elevation 4 Tristereoo	DSM	4m	2m	\$88

Customer-provided GCPs can be used for no additional cost. Actual DEM accuracy will vary based upon several factors, including terrain, ground cover and GCPs. DTMs required a custom quote however are typically an additional \$25 - \$40 per km2. Elevation4 DTMs can be offered for any AOI type, Elevation1 DTMs are only offered in open areas -- not heavily vegetated or urban. Elevation 1 includes imagery, Elevation 4 does not but is available for additional charge. Default licensing is for 1-5 users.
