QuickBird 50/60 cm pan Panchromatic (grayscale)	\$	10.50	n/a
QuickBird 50/60 cm 3-band or 4-band Pan-Sharpended	\$	15.00	n/a
QuickBird 50/60cm Pan + 2m/2.4m 4-band Multispectral Bundle	\$	15.00	n/a
IKONOS 80cm Pan + 3.2m 4-band Multispectral Bundle	\$	10.00	n/a
i.) Minimum archive order (single contiguous area): VNIR = 25 km2, SWIR = 50 km2			
ii.) Minimum new collect order (single contiguous area): VNIR = 25 km2, SWIR = 50 km2			
iii.) Priority tasking uplifts available			
v.) Default tasking cloud cover is 15% or less, uplifts available for 10% (\$10) and 5% (\$20)			
vi.) Default off-nadir angle constraint 20 degrees -- 15 degree constraint + \$2 uplift			
vii.) 80% High Demand uplift for 30 cm and SWIR fresh archive and new tasking in select geographies			
viii.) 30% EDU discount			
viv.) Contact Land Info for discounted pricing on reduced resolution Maxar imagery			
x.) Default licensing is single user/internal -- pricing uplifts apply for additional users.			
xi.) WV4 not available for new collect (tasking)
